## ABOUT THIS WINERY

The story begins at Château Paul Mas in Conas hamlet, in the splendid town of Pézenas, the city of famous playwright Molière. The estates then expanded to Montagnac, with Nicole vineyard and Mas des Tannes. In 1954, Paul Mas develops the vineyard to 120 ha (296 acres) with his brother, Maxime Mas. In 1987, Paul Mas gives 35 ha to his son, Jean-Claude, who creates 13 years later Domaines Paul Mas.

On the shelves, RosOrange's pale amber color is the perfect illustration of its innovative blending!

Its container has also been carefully chosen, as it is bottled in the Flûte Gothic, Jean-Claude Mas's exclusive signature bottle. ## PRODUCT NOTES

RosOrange can be enjoyed as an aperitif, but also with spicy dishes such as Indian or Asian cuisine. For a more original pairing, try it with a soft cow's cheese!

## PRODUCTION NOTES

RosOrange is the best of both worlds, the perfect marriage of the two worlds. A subtle co-verification of the two

wines, resulting in a tasty, complex and singular wine that breaks all codes! The blend is composed of Cinsault, Grenache Noir and Grenache Gris for the rosé and Macabeu and Vermentino for the orange wine.

Vinified from organically grown grapes, respect for the soil and nature is an essential condition for Jean-Claude Mas to produce quality wines.
